Dear Mr. Bruder,

*"Wow! **You** are so awesome!
You helped raise \$121,000 (and counting) to help sick and injured children
at Children's Hospital ... like me!"* Travis Cudney

We couldn't do it without you! Because of your generosity, Children's Hospital at London Health Sciences Centre is there with specialized paediatric programs, services, equipment and diagnostics for children and their families throughout southwestern Ontario and parts of northwestern Ontario. Your support helps to provide the very best care for sick and injured children at Children's Hospital as well as life saving research into childhood illnesses and diseases at Children's Health Research Institute.

Thank you for your Diamond Sponsor sponsorship and helping to make the 9th Annual Children's Bowling for Miracles Tournament a \$121,000 (and counting) success! Over the last nine years, this tournament has raised an amazing \$658,530. You have helped to raise funds and hope for those who need it most – our children.
