

"Your Source For Quality Products"

Now in our 12th year of business, Exhaust Direct continues to expand on our existing line of direct fit pipes, mufflers, & stainless steel tips.

Our extensive line of exhaust parts & accessories, exceptional delivery program, & knowledgeable staff has made EXD the choice of warehouse distributors, & muffler shops throughout North America.

In order to exceed your expectations of superior quality & customer service, EXD is implementing a new software program (ERP) that will allow our customers to order & view our inventory online. In addition, EXD is currently in the final stages of becoming ISO certified.
